

FEATURES

CLAIM TO THE WHEELCHAIR

Choosing the right wheelchair is often difficult. Here, we make a distinction between different conditions and therefore individual requirements and the functionality requirement in different specialist medical areas. The graph gives an initial overview of the MEYRA wheelchairs in this category and when they are used.

MEYRA® ACTIVE WHEELCHAIRS

CONDITIONS	Model 1	Model 2	Model 3	Model 4	Model 5	Model 6	Model 7	Model 8	Model 9	Model 10	Model 11	Model 12
